

# **Apprentice Creed**

**I am an apprentice. I will do my best to learn all I can so I may soon take my place within my industry amongst my brothers and sisters as a Journeyman. My craft is important in protecting the health and safety of the public and of my country. It is my duty to conduct myself as a professional in all that I do and I will strive to show pride in my work**

**To my brothers and sisters of the past, I will honor you and I will never forget all that you have done to give me this opportunity for a better life.**

**To my brothers and sisters of the present, I will strive to make you proud that you have a place in shaping me as a craftsman. Pass your skills, abilities and knowledge on to me and I will learn.**

**I am the future of this Local. I am responsible for its reputation amongst other trades and how it is viewed by the public. If a brother or sister lacks experience in a task, I will not ridicule or slander them. I will offer my assistance and I will expect the same**

**I am an apprentice. I am strong, I am skilled and I am**
